rrigby@st-gregorys.ealing.sch.uk

We are delighted to invite parents to come to a coffee morning where they can meet the Speech and Language Therapist working at St Gregory's this term. She will be giving advice and information on supporting your child's communication and language development at home. Please ask the SENCo / School Office if you have any questions.

****We ask that only adults attend the workshop as there are no child-minding facilities.****
